You will find Casa Escudero situated in the best location on the well known La Cala Resort in La Cala the Mijas. It has a three championship 18-holes golf course, and is just 25 minutes from Malaga airport. Upon arrival you step out of your car and smell the scents of Spain and its nature. This private Casa has the most beautiful views stretching from hole 2 Campo Asia all the way to the snow capped Sierra Nevada, the Mediterranean sea and Fuengirola. Thousands of lights shimmer at night, and wildlife like eagle owls and wild boars are often seen and heard. Birds and crickets bring you closer to nature.

During the day you keep wondering: ‘Is there a better view to enjoy on this planet?’

The Casa is at your disposal all year round. Your host knows the region by heart and is a fantastic cook. If you please, he will help you make your stay more memorable. Families, golfers and companies will find Casa Escudero to be the perfect spot for their summer and winter holidays, golf trips, training - and brainstorm meetings. The last ones can be facilitated by a professional trainer/coach.

This magnificent Andalusian Casa is built to the highest standards of luxury, privacy and security. A professional interior designer created a fantastic atmosphere. It is equipped with modern facilities throughout, from air conditioning and floor heating in every room to high speed internet. It sleeps 8 persons in four bedrooms with four bathrooms, of which three are ensuite.

You enter the grounds via the access road and will find a parking deck for two cars, guarded by electrical doors, or via the porch. Walk down the broad stairway and you will enter a large patio with palm trees, flowers, a fountain and various seating options. Under the parking deck there is a barn for stowing your golf equipment. You will also find a table tennis table, a gas-heated Patton barbecue, deck chairs and sun beds, and several parasols at your disposal.
The entrance of the Casa consists of two large wooden doors that give access to a grand hallway, tiled in mosaic marble, colored in traditional Andalusian blue pastel tones.

Ensuite you will enter the magnificent living, 5.5 meters high with a stunning wooden ceiling and a phenomenal chandelier. Here you can undoubtedly relax with your friends, family and colleagues near a large fireplace, surrounded by art and contemporary design. Directly connected to the living you will find a the dining room for 8 people. And at the left you will find a TV and games room, with a second fireplace.

Each room has turntables that lead to the main terrace in the back, a very large porch with an enormous wooden table that seats 12, shaded from the sun by the same wooden ceiling. How many hours have been spent here, who can tell? The pictures with the views, are taken from this terrace.

The kitchen is right next to the dining room, equipped with all necessary modern appliances, such as a quooker, combined oven/magnetron, American fridge, electric stove and dishwasher. Alongside the kitchen there is a scullery, with washing machine and dryer.

A large bathroom/washroom is available in a side path of the hallway. To complete this entrance floor, there is a cosy bedroom with double boxspring bed and ensuite bathroom, beautifully designed in small blue mosaic marble stones with a comfortable shower and toilet.

A big staircase in orange Andalusian pastel tones leads downward to the second floor in the Casa. A long and very broad hallway leads you to three bedrooms, each differently styled and decorated. On the right side of the hallway there is a bedroom with two separate beds and fitted wardrobes; the blue room. This bedroom has a separate bathroom on the other end of the hallway, with a shower, bath, bidet and toilet. On the left hand side you will find another spacious bedroom, with two separate electric beds, fitted wardrobes and ensuite with a fine bathroom with shower, bath, toilet and bidet, designed by Philippe Starck.
The master bedroom has a separate entrance hallway in Moroccan style with a vast walk in closet. A second entrance leads to the bedroom itself, equipped with a comfortable double boxspring bed, TV and a third fireplace. Adjacent to the room you will find a very big bathroom with a double shower, jacuzzi, toilet and bidet, all fitted in luxurious marble.

Right outside the bedrooms is another roofed terrace with a comfortable lounge corner, built-in fans, fridge and hammock. This can be accessed by three different turntables from the sleeping floor or via an outside staircase from the main terrace above.

The swimming pool is situated below, to be reached by descending a small staircase. The pool area has a large, quiet and private sundeck with ample room for the available lounge chairs, sun beds and parasols.

The pool itself measures 5 by 11 meters, has an outside shower, can be heated, illuminated, and has three jet streams. In the middle of the pool you will find 4 dolphins in mosaic.

Golfers tee off just 50 meters away, way down on the golf course. One level down again you will find the beautiful garden, with bougainville shakers, several fruit trees and a grass lawn.

Right outside the bedrooms is another roofed terrace with a comfortable lounge corner, built-in fans, fridge and hammock. This can be accessed by three different turntables from the sleeping floor or via an outside staircase from the main terrace above.
